- Yr 4 Natalie Loveridge - Ruby's mum
- Yr 5 Zoe Hodgson – Meira Hodgson
- Yr 5 Eszter Sippel – Sebestyen Sippel
- Yr 5 Gemma Goddard – Madison's mum

Points from previous meeting

- Trips – To start from Sept – overview of trips and approximate costs
- Check if water bottles are going home – School to decide if WBs are going home or not at the end of each day and ensure it's consistent across the school.

Matters Arising

- **New behaviour system** – JA explained in brief the new system and said we are trailing it at the moment but that RK has every intention of sharing it with parents very soon. Could something be put in the Friday newsletter to inform parents info will come soon about the new system-
- **School Photos** – Last year PCG were asked about using a different company but we used Braiswick again. PCG not overly happy with Braiswick – [PCG please ask out on the playground about wider views on Braiswick photos](#)
- **Yr 6 leavers jumpers** – [Please could you speak to parents of Yr 6 children to see if they'd be interested in buying a hoodie with the Year and all children's first names written into the numbers. Approx £16/17](#)
- **VIPs** – Are children recorded as VIPs – please could we consider if children have already had it as it doesn't seem fair if the same child gets it more than once over their time at the junior school. JA did explain that not everyone would receive it and it wasn't necessarily about academic achievement.
- **First aid bump slips** – JA explained that they should be going out across the whole school if there is an injury. Parents just need to call in at the office if they're concerned.
- **Maternity leave** – JA said that parents would be informed when we have set things in place.

Next meeting – 3rd March – 2:30pm HIS Library
