

Monday 11th May 2020

Dear Parents and Carers,

We hope you all had a peaceful and enjoyable bank holiday and enjoyed taking part in some VE day celebrations. The children that attended our childcare provision before the bank holiday weekend enjoyed taking part in some VE day themed activities and decorated the front of the school with VE day bunting.

Home Learning Letters

This week's home learning sheets were emailed out on Thursday and can also be found on our website using the links below. Our theme for all our learning this week is food.

Schools re-opening

We know that many of you will have heard the announcement yesterday evening about initial plans to re-open the schools. At this present time no further guidance has been shared with us so we continue to remain closed for the majority of pupils until more information is officially received. Safety and well-being remain our top priorities for the whole school community and we will be working hard on implementing guidance once it has been released.

Havelock Infant & Junior Schools

Resources

We are putting together some resources trolleys this week in order to continue to support you with learning at home as we are aware some of you will have completed your home learning books. Once these have been finalised and completed we will send out further information about how to access them so please watch out for this.

If you are looking to support any of the learning your children are doing the BBC Bitesize material online is very good as is the learning material found on the National 'Oak' academy. Links to both can be found below. Material is split into different year groups for you to be able to access. Both contain short video introduction clips and then short activities to complete afterwards. Some of these are referenced in the year group learning sheets but if you are looking for more resources these are two good places to start.

Zentangles Art Challenge

Along with the home learning sheets we also sent a Zentangle art challenge. This activity is suitable for all ages so if your child (or even yourselves) would like to have a go please send us in some pictures of the wonderful creations you make to sharing@havelockschools.org.uk

If you have a query please continue to use our other communication systems such as the telephone for urgent issues (01536 760361) or the online contact us section on the school website for all other enquiries.

We hope to see you soon.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Rachel Kiziak'.

Rachel Kiziak
