

## Introducing abm Catering Solutions

We are delighted to have been chosen by your School as their catering partner, guaranteeing unrivalled attention, expert support and most importantly, a service tailored specifically to reflect your Schools needs and values. abm is an independent company based in Warwick who have managed food services in Nursery and Primary Schools for over thirty years and currently operate in over eighty Schools throughout England. We are already operating in Northamptonshire and from September this provision will grow to provide the catering services at all Pathfinder Schools. We would like to introduce some of the team from abm who will be supporting your school.

abm in partnership with the School would like to introduce our “Grow” brand to create an exciting and warm environment for the pupils. Additionally, we will be introducing a Soil Associated Bronze Food for Life standard menu that is specifically adapted to meet the needs of your group of schools. Using our experience and by working closely with the schools prior to each termly menu revision, we can adapt, evolve with trends and be flexible in our approach to ensure that you have the desired menu, however if children have identified any dishes that are not popular then we can make changes.

### **Great Food**

We will launch new menus aimed at meeting the demand of a more discerning pupil base, offering them popular recognised traditional dishes both meat and vegetarian, jacket potatoes, cold deli and salad bar with specified recipes using fresh ingredients. This will be available throughout each lunch service taking into consideration the use of local foods and seasonal fresh selections.

### **Ordering your child's meal.**

You will be able to view the three-week menu and order your child's meal on SchoolMoney. We will need to know if your child has any food allergies so we can manage this and ensure they are given the correct food.

You will be able to go online and order food as normal during the last week of August.

We look forward to welcoming the children in September!
