

# Ideas to practise your times tables...

Simply write them out over and over again!

Create and fill times table grids, trying to beat your best time :

x	1	2	3	4	5	6
5						
2						
3						
4						

Write your own song or rap for each table - just like Percy Parker has done!

Place the answers to your tables around the room or garden and ask an adult to call out questions. See how quickly you can get to the answer!

## Websites:

[http://www.transum.org/Tables/Times\\_Tables.asp](http://www.transum.org/Tables/Times_Tables.asp)  
<http://www.topmarks.co.uk/maths-games/7-11-years/times-tables>  
<http://www.timestables.me.uk/>  
<http://www.12xtables.co.uk/>

Chant your tables to a beat as you skip, run or even box!

## Your 'Times Tables Marathon' Challenge

- ☺ In addition to your weekly home learning, you **will be expected to be learning times table facts**. You will **not need to show evidence** of your practices to your teacher but if you wish to share what you have been doing at home, they would love to see it!
- ☺ There are **some ideas for practising** your tables on the following pages of this booklet that you may find helpful, but these are not the only ways to learn them. **Find the ways that work best for you!**
- ☺ You will also be **rewarded in school for success** in your times table test by receiving a sticker on your times table marathon map
- ☺ The **stages of your challenge are in the table** on the next page.
- ☺ You must successfully **complete each stage of the challenge by achieving 100% in the test** to be able to move on.
- ☺ When you complete a stage, **you can neatly colour the star on the map** using a coloured pencil.
- ☺ To help you learn your tables, there will be time to practise in school and this may include 'practice tests'. However, you will have one **main fortnightly test**. This could be **any day of the week** so please learn these little and often.
- ☺ **Remember - just be the best you can be!**

	STAGE	TIMES TABLE	TEST
1	Straight	2x	20 questions in 5 mins
2	Straight	10x	20 questions in 5 mins
3	Shuffle	2x 10x ÷	20 questions in 5 mins
4	Straight	5x	20 questions in 5 mins
5	Mix	2x 10x 5x	20 questions in 5 mins
6	Shuffle	2 5 10 x ÷	40 questions in 5mins
7	Straight	3x	20 questions in 5 mins
8	Shuffle	2x 10x 5x 3x ÷	40 questions in 5 mins
9	Straight	4x	20 questions in 5 mins
10	Mix	2x 10x 5x 3x 4x	40 questions in 5 mins
11	Shuffle	2 3 4 5 10 x ÷	40 questions in 5 mins
12	Straight	8x	20 questions in 5 mins
13	Shuffle	2x 10x 5x 3x 4x 8x ÷	40 questions in 5 mins
14	Straight	6x	20 questions in 5 mins
15	Mix	2x 10x 5x 3x 4x 8x 6x	40 questions in 5 mins
16	Shuffle	2 3 4 5 6 8 10 x ÷	60 questions in 5 mins
