

HJS SPORTS FUNDING 2020-21

The government is continuing to provide additional funding of £150 million per annum for the academic year 2020 to 2021 to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – will be allocated to primary schools. At Havelock Junior School we will be receiving roughly £19,270 this academic year. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new or additional Change4Life clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils' participation in the School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools

Havelock Junior School

At Havelock Junior School our overall aim will be to improve the quality and breadth of PE provision for all children raising achievement and ensuring a lasting impact. We have developed an action plan in order to do this.

Objective	Expected Impact	Actual Impact	Expenditure
To provide quality professional development for all staff through the use of a sports coach: Vicky Gallagher (VG)	Curriculum map showing range of activities Teaching good and outstanding		£3,666.00 (based on last year)
Transportation to a wide range of Sporting Events to ensure that ALL children can attend and are not reliant upon parental support	Greater number of children involved as transporting children to events will not be an issue.		Approx £1600
To have enough high quality equipment for children to take part in engaging PE sessions and activities.	Real P.E lessons and general PE lessons have enough equipment for all to take part		£700 (Based on 2019/20)

<p>To run a specific 'Change for Life' Club targeting primarily PP children and less active, but accessible by all. Subsidized to all and free to PP children.</p>	<p>PP and Less Active children provided with opportunities to develop a healthier lifestyle in this free/subsidised club.</p> <p>Discussion with JA and identify children to target to attend clubs</p>		<p>£800</p>
