

Learning in Action

w/c 2nd March is your second opportunity to come and see first-hand how your children learn in school so that you can in turn support your children's learning at home. As well as parents being invited members of the Governing Body have also been invited to these sessions giving you the chance to meet and chat with them. In order to take part in this event please call the school office to book your slot. A kind request for no siblings please.

Y1 will only be for Puffins & Robins classes, as it will be the first week having a new teacher in the Peacocks class.

Illness

Children with sickness bugs are asked to return to school after 48hrs after their symptoms disappear. Washing your hands is one of the easiest ways to protect yourself and others from illnesses. Washing your hands properly removes dirt, viruses and bacteria to stop them spreading to other people and objects, which can spread illnesses such as flu or diarrhoea.
