Parent Consultative Group

We are still looking for parents to join our Parent Consultative Group for **Flamingos and Willows**. If you would like to take on the role of representing the views of parents in your child's class please contact the school office.

Safeguarding

We kindly ask, for safeguarding reasons that Yr 1 & 2 parents when leaving after reading morning or a morning activity that parents use the main entrance or if they leave through a side door to collect a buggy that they ensure that the door is firmly closed behind them. We also ask that when passing by the school during the day talking through the fence to your child can promote talking to strangers and we kindly ask that conversations are left until the end of the day.
