

HJS SPORTS FUNDING 2020-21 Review statement

The government is continuing to provide additional funding of £150 million per annum for the academic year 2020 to 2021 to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – will be allocated to primary schools. At Havelock Junior School we will be receiving roughly £19,270 this academic year. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new or additional Change4Life clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils' participation in the School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools

Havelock Junior School

At Havelock Junior School our overall aim will be to improve the quality and breadth of PE provision for all children raising achievement and ensuring a lasting impact. We have developed an action plan in order to do this.

Objective	Expected Impact	Actual Impact	Expenditure
To provide quality professional development for all staff through the use of a sports coach: Vicky Gallagher (VG)	Curriculum map showing range of activities Teaching good and outstanding	Staff had access to high quality training and demonstration lesson to increase their confidence in teaching a range of PE. This lead to a wider variety of lessons being delivered to KS2 children including cup stacking and table tennis. Children have had high quality PE lessons delivered by confident staff members weekly with the input of qualified coaches. During lockdown periods the coach produced demonstration videos enabling remote PE sessions to be delivered to children by quality coaches so children could still access PE sessions whilst not in school. Children remained active and accessing PE during lockdown.	£3,666.00
Transportation to a wide range of Sporting Events to ensure that ALL children can attend and are not reliant upon parental support	Greater number of children involved as transporting children to events will not be an issue.	Not possible due to COVID restrictions	£0

<p>To have enough high quality equipment for children to take part in engaging PE sessions and activities.</p>	<p>Real P.E lessons and general PE lessons have enough equipment for all to take part</p>	<p>Cup Stacking equipment, Table Tennis class set Gymnastics mats, Basketball posts and other equipment was purchased to enable indoor as well as outdoor PE to be able to take place. Each Year group provided with their own individual trolley of equipment to enable PE to be taught effectively with all of the equipment they will require. With correct equipment children had access to a range of sporting lessons all delivered with the correct equipment to provide the skills required. PE lessons were purposeful and well resourced for all children to access fully.</p>	<p>£8373.96</p>
<p>To run a specific 'Change for Life' Club targeting primarily PP children and less active, but accessible by all. Subsidized to all and free to PP children.</p>	<p>PP and Less Active children provided with opportunities to develop a healthier lifestyle in this free/subsidised club. Discussion with JA and identify children to target to attend clubs</p>	<p>Not possible due to COVID</p>	<p>£0</p>
<p>To continue to develop the use of TAs to deliver lunchtime sports programme to engage less active children and to continue to train our Year 6 Sports Crew, so that they are able to...</p> <ol style="list-style-type: none"> 1) Develop opportunities to engage less active children in lunchtime physical activity 2) Promote school sport and physical activity 3) Lead and officiate MCLP sporting events. 	<p>More physically active children at lunchtimes, and improved behaviour in the playground. Activities arranged by Sports Crew to engage less active children in-particular. Sports Crew develop their leadership skills. Incorporate house teams into lunch time sports activities</p>	<p>Sports Leader promoted physical activity during Y5 lunch times. Focused on Y5 as this is the year group that the Sports Leader / TA was based and unable to mix due to 'Bubbles'. Children were actively encouraged to take part in sports during their lunch break to promote physical fitness and use skills taught in PE sessions previously. Good take up from children taking part in organised games and sports.</p>	<p>£3297 Part of VG contract to support the Sports Leader Employment of lunch-time supervisor / sports leader to oversee club</p>
<p>To buy medals and pay for joint coaches that run festivals and competitions</p>	<p>Objects/ expertise bought for festivals and competitions</p>	<p>Not possible due to COVID</p>	<p>£0</p>
<p>To attend the national PE Conference to become aware of latest PE developments.</p>	<p>To keep up to date with changes in PE and assessment ideas, which then impact the provision in school.</p>	<p>Not possible due to COVID</p>	<p>£0</p>

To have a pathway for all children (including G&T) to participate in Level 2 Sport (and beyond), through partnership with Kettering School Sport Partnership (KSSP)	Keen and More Able sports children given the opportunity to represent the school at District (L2/County (L3)/National events in a wide range of sports.	Children unable to physically attend any events due to Covid Restrictions, but online teacher training and virtual pupil challenges were set.	£200
To attend Pathfinder cluster meeting termly to organize, review and ensure children within the Montsaye Cluster receive a wide range of curricular and out of curricular sporting opportunities.	Children are receiving a well-balanced PE Curriculum and a range of extra-curricular clubs.	PE leader attended virtual meetings and disseminated key messages to staff and ensured a balanced curriculum was being delivered. Curriculum review resulted in a full progressive curriculum designed for children aged 4-18 by working as a cluster group to include secondary. Staff have a progressive curriculum to teach from that ensures that skills and knowledge are developed and clearly planned.	HLTA Supply cover approx' £1875 PE Cluster meeting
Children at HJS to experience outdoor adventurous learning experiences through 'Forest Schools' at West Lodge.	Children given the opportunity to develop resilience and team work skills as part of the Forest Schools Project.	Due to COVID restrictions Y6 only were able access forest school. This resulted in their team work and communication and leadership skills being developed. New experiences given to children with a chance to stretch their physical capabilities.	£830 (Venue and transport)
AfPE member and associated resources	PE coordinator is up to date with H&S changes.	H&S Policy implemented and re-written in response to latest AfPE guidance which is consistent across all Pathfinders Schools meaning staff and children are adhering to latest safety guidance.	£100
To provide the opportunity for all children in Years 5 to be able to swim 25m with confidence, using a range of strokes and can perform safe self-rescues in water-based situations. This is on top of the national curriculum offer that is given in Year 4.	Children develop their water confidence and have developed their ability to swim 50m.	Not possible due to COVID As such we are not able to report the number of children in KS2 able to perform the strokes as the current Year 6 children did not have the opportunity to take part in swimming lessons due to COVID closures.	£0
To extend and upgrade/enhance the sports and play facilities on the playground so that the children are more inspired to participate and enjoy active lunch times.	The percentage of children who are actively involved in Sports Crew led activities in-particular, increases.	Weekly 'Mr Jacques' Sports Challenges' shared during online assemblies to inspire/encourage children to be physically active. Shared with families to support active lifestyles. Funding used to enhance playground play equipment to ensure a legacy going forward and to continue to support children in physical activities when at play. Children use the equipment regularly and can be seen keeping active when at play.	£5,000
TOTAL FUNDING FOR 2020/21: £19,270 CARRY FORWARD FROM 2019/20: £4,208 TOTAL FUNDING AVAILABLE: £23,478			

Confirmed Spend at July 2021 £23341.96
