- How the governors made the decision in the best interests of the school.

The School and Early Years Finance (England) Regulations 2013 provide for local authority financing schemes to keep a register of pecuniary interests for the trustees, governors and staff of schools. The register should be reviewed annually by the clerk to the governing body but any new interest or ceased interest, should be reported to the clerk as and when they occur. Upon completion, this signed form should be given to the clerk of governors whose responsibility it is to keep a register of all interests and review it annually. You can find NGA's model conflict register on the [NGA's website](#).

The Charity Commission has produced [guidance on dealing with conflicts of interests](#) which may be useful, even for schools that do not have charitable status.
